

*All your childcare needs
under one roof*

Floor Manager Required

(approx. 30 hours pw)

An excellent opportunity for an experienced manager wishing to do something really different! You will have an opportunity to build on this wonderful environment for children and staff in Kent's biggest indoor play centre. You will need to be focused, proactive and confident. You will need to be committed to high standards of safety, hygiene and to maintain strong working relationships within the workforce.

Some of your responsibilities will be:

- * To achieve and maintain high standards of safety and hygiene
- * To effectively lead and manage the staff team including recruitment and retention
- * To effectively manage the ordering of stock to ensure profitability
- * To ensure all policies and procedures are implemented and adhered to at all times

You will need to have the following qualifications, training and experience:

- * Excellent organisational skills
- * Good time management skills
- * A good standard of English and Maths
- * Knowledge of health and safety legislation
- * Computer literate
- * Excellent communication skills
- * Strong people management skills
- * First Aid certificate would be an advantage

Hours required: Monday to Wednesday plus every third weekend.

Good rates of pay.
